ANNUAL REPORT 2018-2019

General Secretary's Message

Dear Friends and Well Wishers.....

Once again it is our pleasure to present Annual Report 2018-2019 to share the information of our activities, achievements & experience gained in the process of our developmental program of Healthcare and Education sectors.

This year also at "Sanjeevani Healthcare Unit over 55 free corrective surgeries of the congenital disabled

children have been done. From the beginning a total of over 650 free corrective operation of Divyang have been performed. Additionally Physiotherapy, Yoga & Music Therapy are provided for better rehabilitation.

At "Sanjeevani Bal Vidya Mandir",Suarsoat a lot of development work has been done like construction of another floor with a guest room & toilet, a 5KVA Solar Panel was installed. Beside this 4 Ashram –like rooms with rooftop tiles has been built.

Our unit at New Delhi "Aashirwad Special Education School for Mentally Retarded Children" has organized many social & awareness activities like Women Empowerment, awareness on AIDS etc. At the centre, Special education and vocational training is also given by experts to the marginalised children.

Sanjeevani Social Welfare Society has completed 19 years of dedicated service to the needy, deprived & marginalized children both in the Healthcare and Education Sectors.

It was once again, a year of hectic journey and as an organization it was our endeavor to make greater meaningful role to all the stakeholders.

We express our sincere gratitude and heartfelt thanks to Mr. Moti Asnani, President- Morning Light of Switzerland among many others and also to all those who helped and guided us to achieve this height.

Thanks

Dr. Vidya Sagar Pandey

Life Changing History of Divyang Children

The child Reeshu, aged 03 Years, was suffering from Right Leg deformity & was operated in April 2018. His parents are very poor and not able to bear the expense of treatment. Reeshu has recovered completely now and has become a normal child. He is more playful now than before.

The child Jeet was suffering from both legs deformity. He was operated in June 2018. Now, he has completely recovered and lives like a normal child doing all kinds of playful & mischief.

Shanvi aged 06 years girl having CP, could not stand or walk on her own, she had to be always supported by someone. After doing YOGA & PHYSIOTHERAPY regularly, she has gradually improved. Now she can stand and tries to walk on her own.

Zeenat aged 09 years; a blind girl with CP could not stand by her own. There was no strength in her legs. After doing YOGA & PHYSIOTHERAPY, gradual improvement is seen, now she can stand with little support.
